EVENTS

Audio, Video, Lighting, Staging and Tents

ClearSound Design's event division provides for all types of Live Events, large or small. Corporations, Festivals, Fairs, Wedding and Event Planners rely on our experience and inventory of state of the art equipment. ClearSound offers turnkey solutions based on your event needs and budget. Our staff has provided production for Corporate Clients, Political Events, Institutions of Higher Education, Festival Committees and many National, Regional and Local Acts of all genres.

ClearSound's inventory includes equipment from Electro-voice, QSC, Yamaha, ETC, High End Systems, Digital Projection, and many more. We will meet any rider as well as scale the system to meet your needs.
